HOKI KI TE RITO REFERRAL FORM

Hoki Ki te Rito-Ōranga Whānau / Mellow Parenting Programme is focused on building secure relationships between parents and their child/ren. Mums and Dads groups are separate in the morning sessions and parents combine in Babies or Toddlers groups in the sessions after lunch - couples and single parents can attend. We encourage parents who are working to retain day to day care of their children, or working toward children returning from care, to attend. Our facilitators work with the group to explore past, present & future experiences, over 14 wks, on Mondays 9.30am - 2.30pm.
